Susan,
I completely disagree with all these people. Don't they know that all these compliments will go to your head (just kidding) I know you won't let it. So I won't take up the extra space repeating what everyone else has said. Just stay the same & have a great summer
See ya next year & leave some of the guys for me
Diana

Susan,

Susan- Wow! That name sure gets be confusing! It was great having lockers together so we could both turn around when someone said, Susan. And walking down the hall: Hi Susan, Hi Susan. Crazy! Well Kid, I'm really glad I got to know ya cause you're one of the sweetest people I know. You're gonna make a great Cheerleader next year, especial[ly] if you always keep that beautiful smile on your face! Hope we get to know each other lots better next year in Rebelettes and maybe we'll have some classes together. Have fun this Summer!
